# his hand is not able to touch

לֹא תַגִּיע יָדוֹ דֵּי *lo tagi' yado dei* (H3808 + H5060 + H3027 + H1767) literally means "his hand cannot sufficiently touch" where the word תַגִּיע *tagi'* means to lay hands upon; to touch or strike; to be touched by a plague. (Jeff Benner's Mechanical Translation of the Torah)
