his will

רָצוֹן *ratson* (H7522) is often translated as pleasure, delight, favour, goodwill, acceptance, or will and literally means “ones will or desires written on potsherds as messages to another.” רָצוֹן *ratson* comes from a root word which means “to crush a potsherd” in the sense that broken pieces of pottery were commonly used as writing tablets as they were inexpensive and durable (cf. Exodus 24:12; Exodus 31:18; Exodus 34:1; Exodus 34:4; Deuteronomy 4:13; Jeremiah 31:33). These potsherds were commonly used to send messages from one person to another, usually carried by messengers or “runners.”
